MISSION STATEMENT

The three pillars
PARC Home Care stands on

Always putting the patient
and their family first

FEATURES

- Fast track joint care program
- Fall prevention program
- Palliative Care
- Outpatient physical therapy services
- Management of symptoms secondary to chronic illnesses, such as Diabetes, Congestive Heart Failure, Chronic Obstruction Pulmonary Disorder, Osteoarthritis, etc.
- Transitioning from a hospital or nursing facility to increase medical stability, safety and independence within the home environment
- Multi-lingual staff (English, Arabic, Chaldean, and Spanish)
- All patients to be seen within 24 to 48 hours of initial contact

At PARC Home Care, we focus on reducing hospital readmission rates by working closely with physicians, family members, and patients. With direct involvement in patient care, we understand the importance of clear communication, compliance with individualized care plans, and proper facilitation of evidence-based interventions specific to each patient.
